FREMONT HIGH SCHOOL
Fremont, Indiana

FOREWORD

Each morning in hundreds of communities across the United States our flag is raised to its proud position over our schools. There it silently waves telling the wonderful story of our American heritage; freedom and the American Way of Life.

Follow through the pages of the Vistula and see how we represent the American Way in our various classes, extra-curricular activities, and sports.

ADMINISTRATION

Special training and diversified abilities have enabled Mr. Mertz to mold the ideals of Fremont High School into actual realities. His influence is felt by every student in school and travels through the entire community, thus inspiring us to advance toward our goal of living the American Way.

Mrs. Langley is a very essential part of our school life. Her conscientious and unselfish efforts on behalf of the students and faculty are examples of two vital characteristics that must be attained if one is to be a worthy citizen of America.

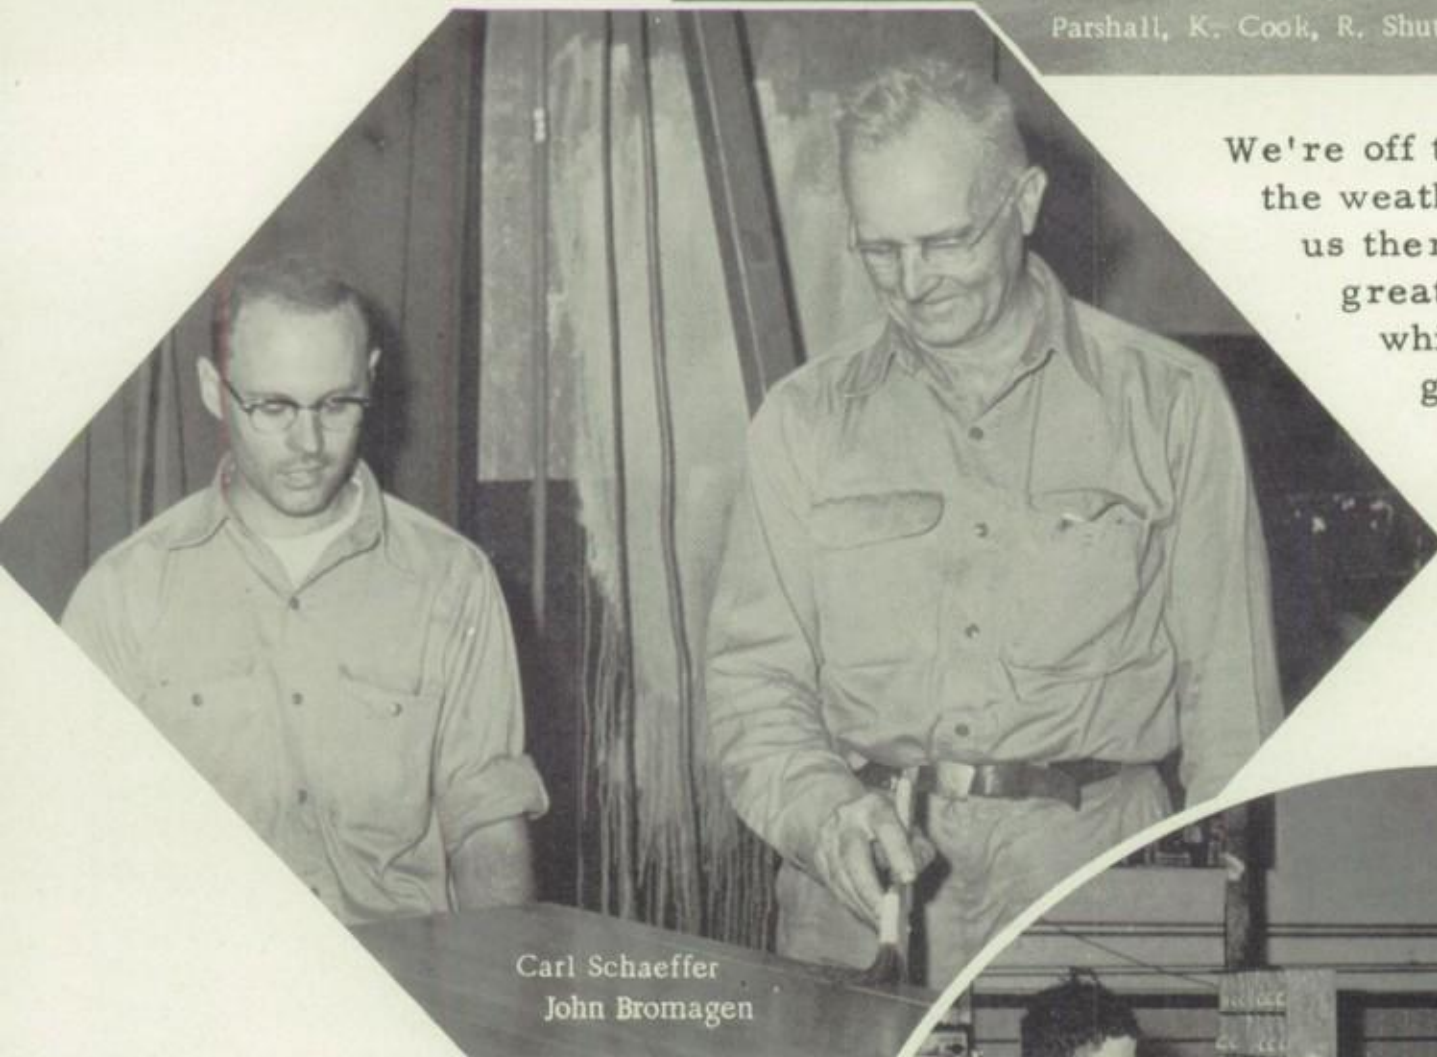

The Advisory Board is an important link in the public school system, not only does it portray the interest of the community in Fremont High School, but it represents another American privilege--the democracy of the school's organization.

Carl Schaeffer
John Bromagen

John and Carl keep our building heated and in good order. Co-operative and good humored, they do many odd jobs and are always ready to help us.

Time to eat! Our cooks serve us delicious food in well balanced meals, and with seconds too! With good cheer and friendliness they give the best of service.

We're off to school! No matter what the weather, our bus drivers get us there. With their job goes a great deal of responsibility which they perform well and good naturedly.

COOKS

Sadie Houseman, Vina Dunkle,
Cora Mundy, Alice Bretz.

CLASSES

The winding, unexplored road of learning as it disappears in the great distance, reminds us of the individual life as it progresses from class to class.

To the small child the journey into the road of reading and writing is a great adventure.

Each year new adventures take him upon new roads. These adventures are made more interesting by the companionship and help of his classmates.

The broader the school curriculum the greater the adventurous journey.

The student who earnestly and studiously follows these roads of learning, under the great American Way of Life, finds that opportunity and success await him at each turning.

ACTIVITIES

Through student activities, both curricular and extra-curricular, our lives are broadened and enriched. Friendships are made which last a lifetime. At the same time our ability to work with those who differ with us, increases.

So each one is given his opportunity, through these activities, to be an individual; forming opinions, learning to make a place for himself, and earning the respect of those with whom he works. Again this is a part of our Way of Life.

HONOR STUDENTS

Induction Ceremony

To be a member of the National Honor Society, a student must not only possess a high scholastic rating, but he must be outstanding in character, leadership, and service.

Students are admitted to the society by a "tapping" and candle-light ceremony, performed at the beginning of the second semester.

In years prior to 1955-56, the organization has had at least two advisors. This year there were none. The only officer elected by the senior members was the President, Ronnie Bear.

There were six senior members, five boys and one girl, at the time of induction. Seventeen juniors and seniors are now members.

Membership in the National Honor Society is a very fitting reward for four years of industry, self-discipline, and proper character development.

JUNIOR JOURNALISTS

Quill and Scroll is an international honor organization for journalism students. Outstanding service in school publications and a scholastic rating in the upper third of either the junior or senior class are the essential qualifications for membership.

Mrs. Olson is the advisor for this journalism group which has expanded in membership this year. Many juniors were interested in this subject and actively participated in the publishing of the school paper.

Business managers discuss final plans.

SCHOOL GOVERNMENT

The Student Council represents one of the most important fundamentals in our way of life---that of self-government.

Through this organization a student or faculty member can voice his opinions, suggestions, desires, and theories.

The council convenes with Mr. Mertz to decide the procedures that will be employed in the election of cheerleaders, Christmas festivities, preparations for the Halloween Carnival, and supervising Awards Day.

Each class in high school has two representatives in the council, as does the junior high.

This organization truly represents the right of the student body to govern itself.

BUSINESS LEADERS

Future Business Leaders of America is a national organization that has been included in the activities of Fremont for two years.

This group, under the tutelage of Mrs. Duke, increased in membership with over thirty-five new members.

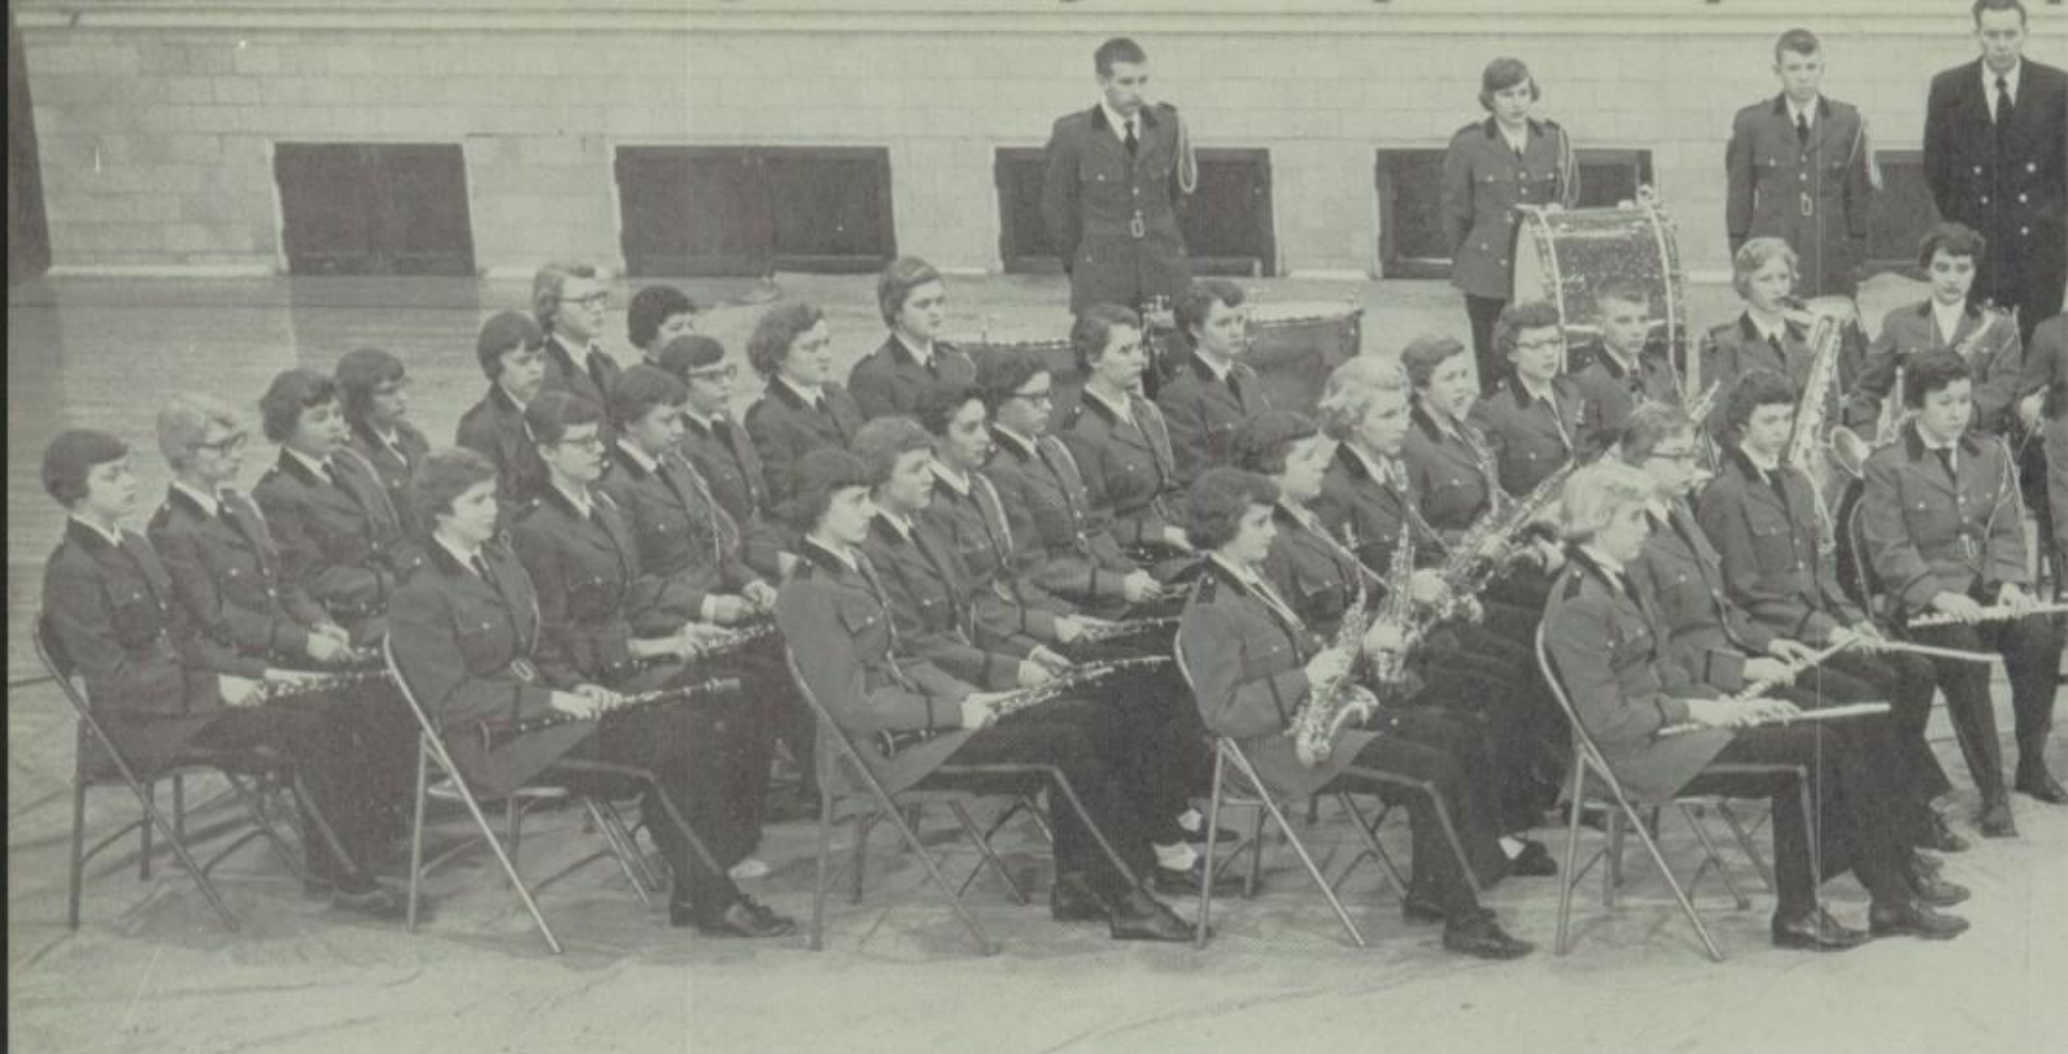

Several worthwhile projects were undertaken by the club: paper drives, typing and mimeographing for teachers, compiling job surveys, showing of guidance films, assisting teachers, and other new organizations.

With the money they received from the paper drives the club purchased a record player, which was presented to the Commerce Department.

This year the F. B. L. A. also purchased an Honor Role Plaque. On this plaque the name of the outstanding senior member will be engraved. Grades, leadership, and cooperation with club purposes are considered in determining the recipient of this honor.

CONTEST ENTRIES

The increased number of entries in the district and state music contests indicated the enthusiasm for music and competition in the school. Not only are the high school students interested in this phase of music but many junior high and elementary school pupils participated in this activity. Fremont High School is very proud of the medals received by these boys and girls.

DRAMATICS

The Masque and Gavel Dramatics Club has completed its third successful year under the leadership of Mrs. Pettry.

The club activities are centered around the production of one-act plays.

The student directors this year were Beverly Gilchrist, Judy Campbell, and Glenna Cole.

For individuals not interested in acting, the club furnishes outlets in Make-Up, scenery, directing and lighting.

CENTER: Mrs. Pettry gives advice.

TRI-HI-Y

Clean speech, clean sports, clean scholarship, and clean living---These words compose the pledge of Tri-Hi-Y organizations all over the world.

The Fremont Tri-Hi-Y Club maintains these ideals corresponding with our American heritage: Freedom of speech, clean speech; freedom of competition, clean scholarship and clean sports; and the right of life and liberty, clean living.

The Tri-Hi-Y represents these ideals, and each member abides by them to the best of her abilities.

This year the organization distributed charity baskets at Christmas time, donated magazines to several nursing homes, sponsored a Clean-living Campaign and staged a semi-formal Valentine Dance.

HI-Y

The Hi-Y Club of the year 1955-56 boasts the largest membership in its history, with a total of thirty-two boys. This organization holds its meetings every two weeks.

Several projects have been planned by the club this year: Purchasing a banner for the gym, erecting signs throughout the community, and organizing and serving a turkey dinner.

The purpose of the Hi-Y is "to create, maintain, and extend throughout the state, higher standards of christian character".

Early in the fall the officers of the Hi-Y and the Tri-Hi-Y attended the district officers meeting at Wabash, Indiana.

It is the desire of this organization to install in its members and their associates the creed for which they stand.

FUTURE HOMEMAKER

"Toward New Horizons" is the motto of our organization, the Future Homemakers of America.

Our express purpose is learning to live better today, so that our lives and those of our families will be better tomorrow.

This we will do through courage, determination to succeed and ambition. The outcome will be homes where love, security, and faith will be standards for all America.

Mrs. Healy is the advisor for our organization, which has thirty members.

FUTURE FARMERS

The National Emblem of the Future Farmers of America is significant and meaningful in every detail. Used by members in all recognized units of the organization, it is made up of five symbols; the owl, the plow, and the rising sun within the cross section of an ear of corn which is surmounted by the American Eagle. Upon the face of the emblem appear also the words, "Vocational Agriculture," and the letters F.F.A.

The primary aim of the F.F.A. is the development of Agricultural leadership, co-operation, and citizenship.

There are twenty-six members in the Fremont Chapter of F.F.A.; their advisor is Mr. Halsey.

The club projects this year included: the selling of garden seeds, supervising the pencil vending machine, the sale of magazines, planning a crop project, and selling bird houses.

OLYMPIC

For girls interested in all categories of sports, competition, industry, and accomplishment, the Girls Athletic Association furnishes satisfactory methods of expression for each of these outlets.

The organization obtained a new advisor this year, Mrs. J. L. Mertz. Under her leadership the club gained many new members and totaled twenty-eight participants.

That she may obtain an award, each girl must earn a certain number of points; these are determined by the number of hours she has spent in organized sports.

The club organized a playday, swimming parties, and served a ham and bean supper.

MATERIAL

All boys who earned a letter in one or more athletic activities, baseball, basketball, track or cross country, automatically become members in the lettermen's organization.

This club, sponsored by Mr. Kelley, has fifteen members.

The officers for the year 1955-56 are: President, Ronnie Beams, Vice-President, Rex Ehrhart, and Secretary-Treasurer, Alan Sidel.

The club project concerned the planning of an "all sports trophy" to be awarded to the athlete who received the most honors in the greatest variety of sports.

The aim of the Lettermen's organization is to promote good sportsmanship in the school, in the community, and in future life.

TATLER

The Tatler was edited tri-weekly under the able direction of Mrs. Olson, the faculty advisor. This year more students took part in writing stories which promoted interest. The advertisements were made more original through the addition of small pictures.

The staff did a fine job of producing a paper that filled the students with anticipation.

VISTULA

The theme of the Vistula this year followed "The American Way". With the increased enrollment in school and more advertising, the staff found it necessary to add several pages to the book. The cover was designed by a member of the staff, this being the first time such a thing has been done in several years.

SPORTS

In sports the great American Way is truly exemplified. On the basketball court, the baseball diamond, and the cinder track, truly democracy holds forth.

Race, creed, or social position matters not. Each contestant is given the opportunity to prove his worth.

Individual skill, courage, loyalty, and the ability to take victory or defeat with equal grace are the necessary ingredients for sportsmanship.

Through athletics our boys and girls learn attributes that make them the fine citizens of tomorrow's America.

THE WINDUP

The baseball team had another fine year, winning eight and losing one. In the county tournament the Eagles copped a 11 to 3 victory over Flint with nine runs in the third inning.

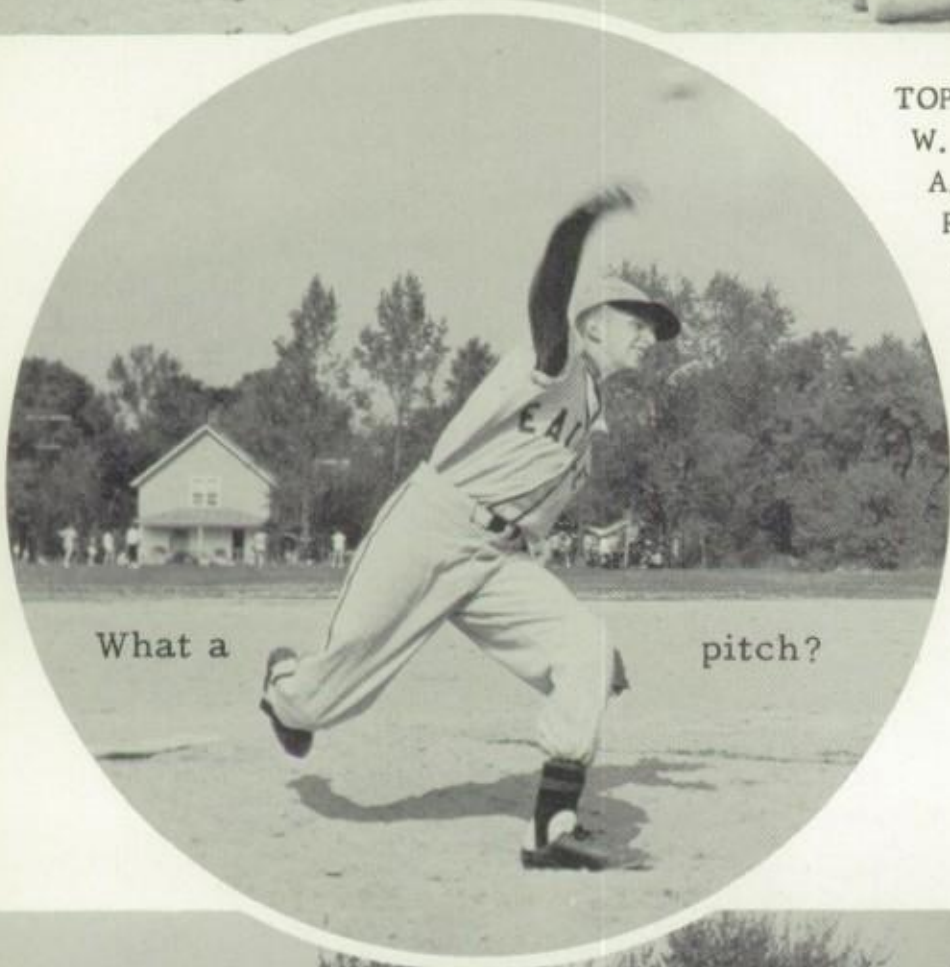

The pitching staff did a standout job this year. Rod Wells (4-0) and La Vern Bressler (3-1), pitching in eight games, limited their opponents to just 19 runs for an average of 2.1 runs per game. Ned Snyder pitched a very commendable 5 $\frac{2}{3}$ innings at Orland for another Eagle victory.

Fremont on the average outscored and outhit their opponents, giving them 2 runs, 4 hits against our own 15 runs, 12 hits.

Ronnie Beams led the team in batting with 22 hits for 39 times at bat for an excellent .564 mark. Alan Sidel was runner-up with a good .474 average.

Last year the athletic club added a new feature for participating boys. In each sport a trophy is given to the outstanding athlete. This year Ronnie Beams received this trophy in baseball for the highest batting average.

TOP TEN

JIM MYERS-SENIOR-GUARD

Although Jim saw limited action this year, he was a good bench man and always ready to do his part.

NED SNYDER-SENIOR-GUARD

Ned's good defense and ability to set up his teammates made him a reliable substitute.

ALAN SIDEL-JUNIOR-CENTER

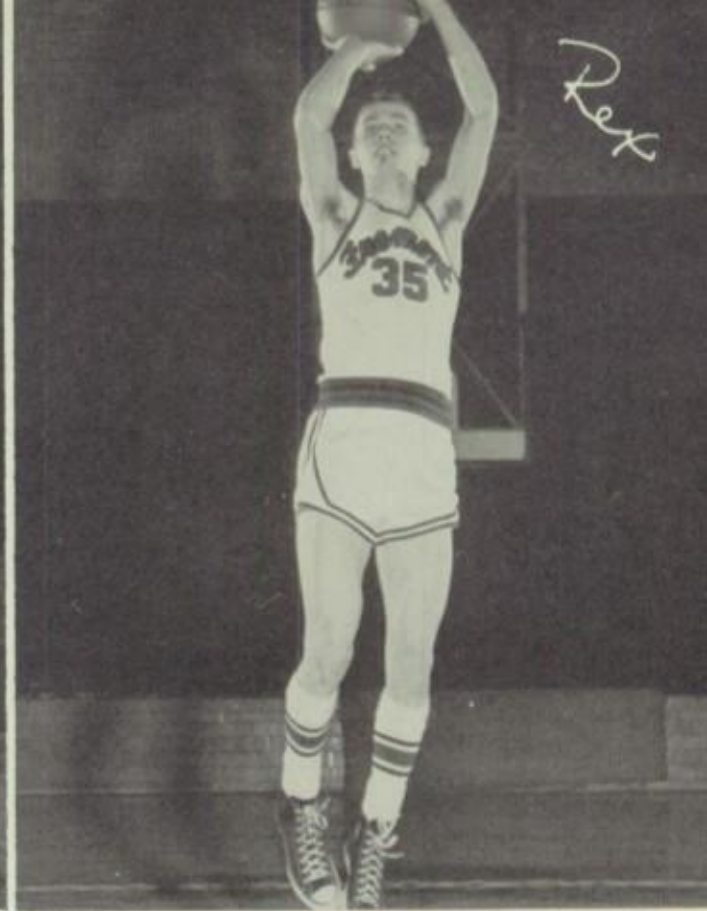

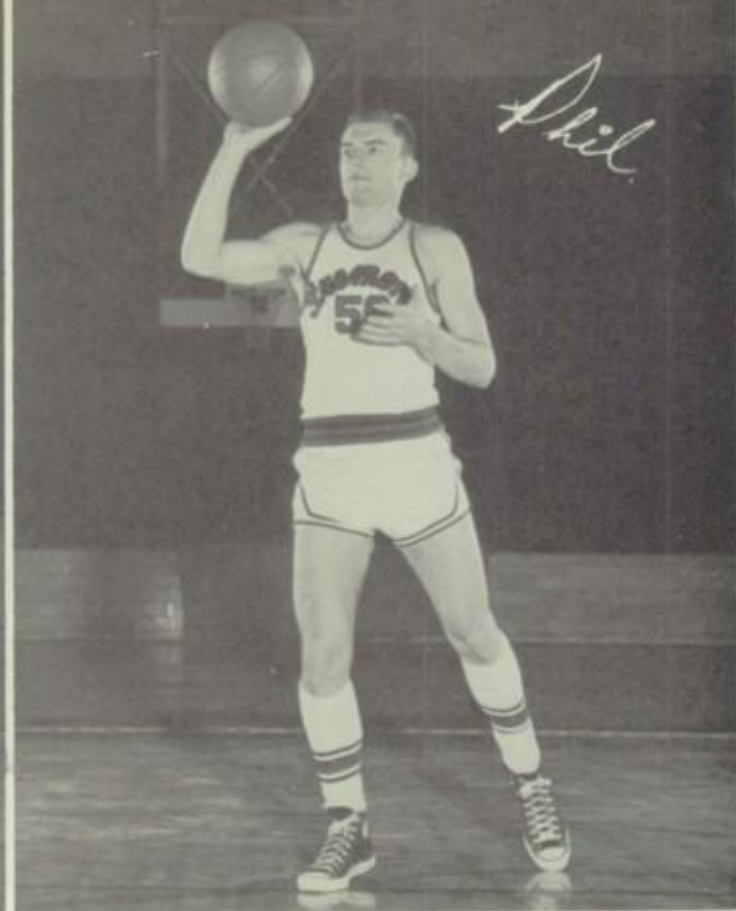

Alan's rebounding and feeding from the pivot made him a valuable asset to the team. His jump shot netted many points.

BOB FISHER-SOPHOMORE-FORWARD

Bob, this being his first year, was a valuable rebounder and a scoring threat from under the basket. He also was a thorn on defense.

ROD WELLS-SOPHOMORE-FORWARD

Rod, as a first year man, was very valuable on rebounding and in the scoring column. His bread and butter shots were a one-hand jump shot and a two-hand set.

IN ACTION

RONNIE BEAMS-SENIOR-GUARD

A veteran of two years, Ronnie's defense, assists, and accurate shooting made him the key man of the team. He was also the leading scorer.

PHIL GAY-SENIOR-FORWARD

Phil with one year of experience was a valuable man under the boards. His deadly one-hand jump shot always made him a scoring threat.

REX EHRHART-JUNIOR-FORWARD

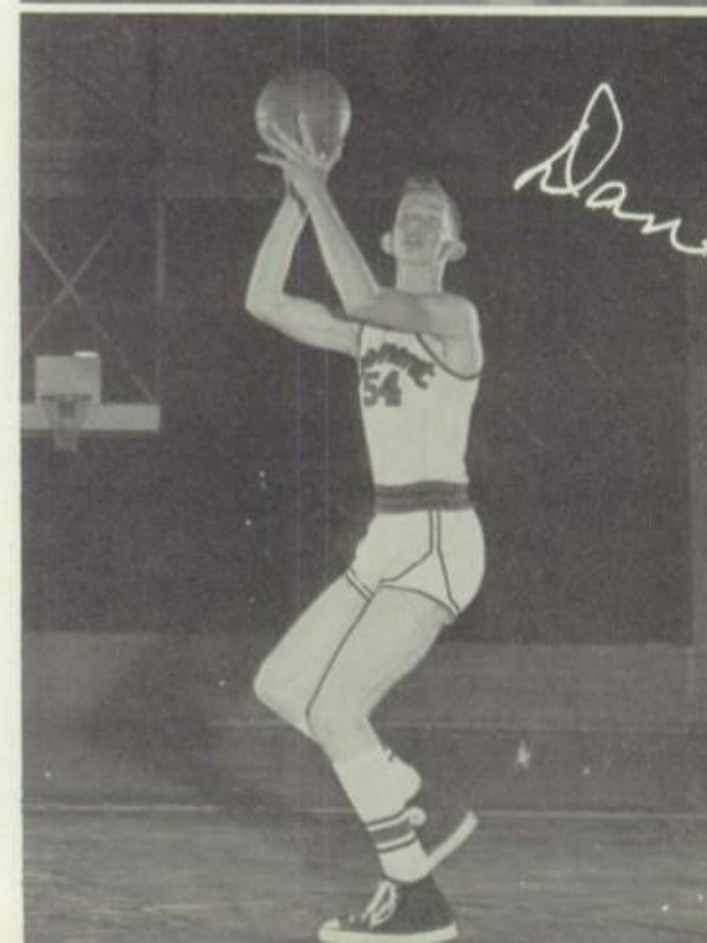

This was Rex's first year on the varsity squad. His ability as a rebounder and his outside jump shot, made him valuable as a center and forward.

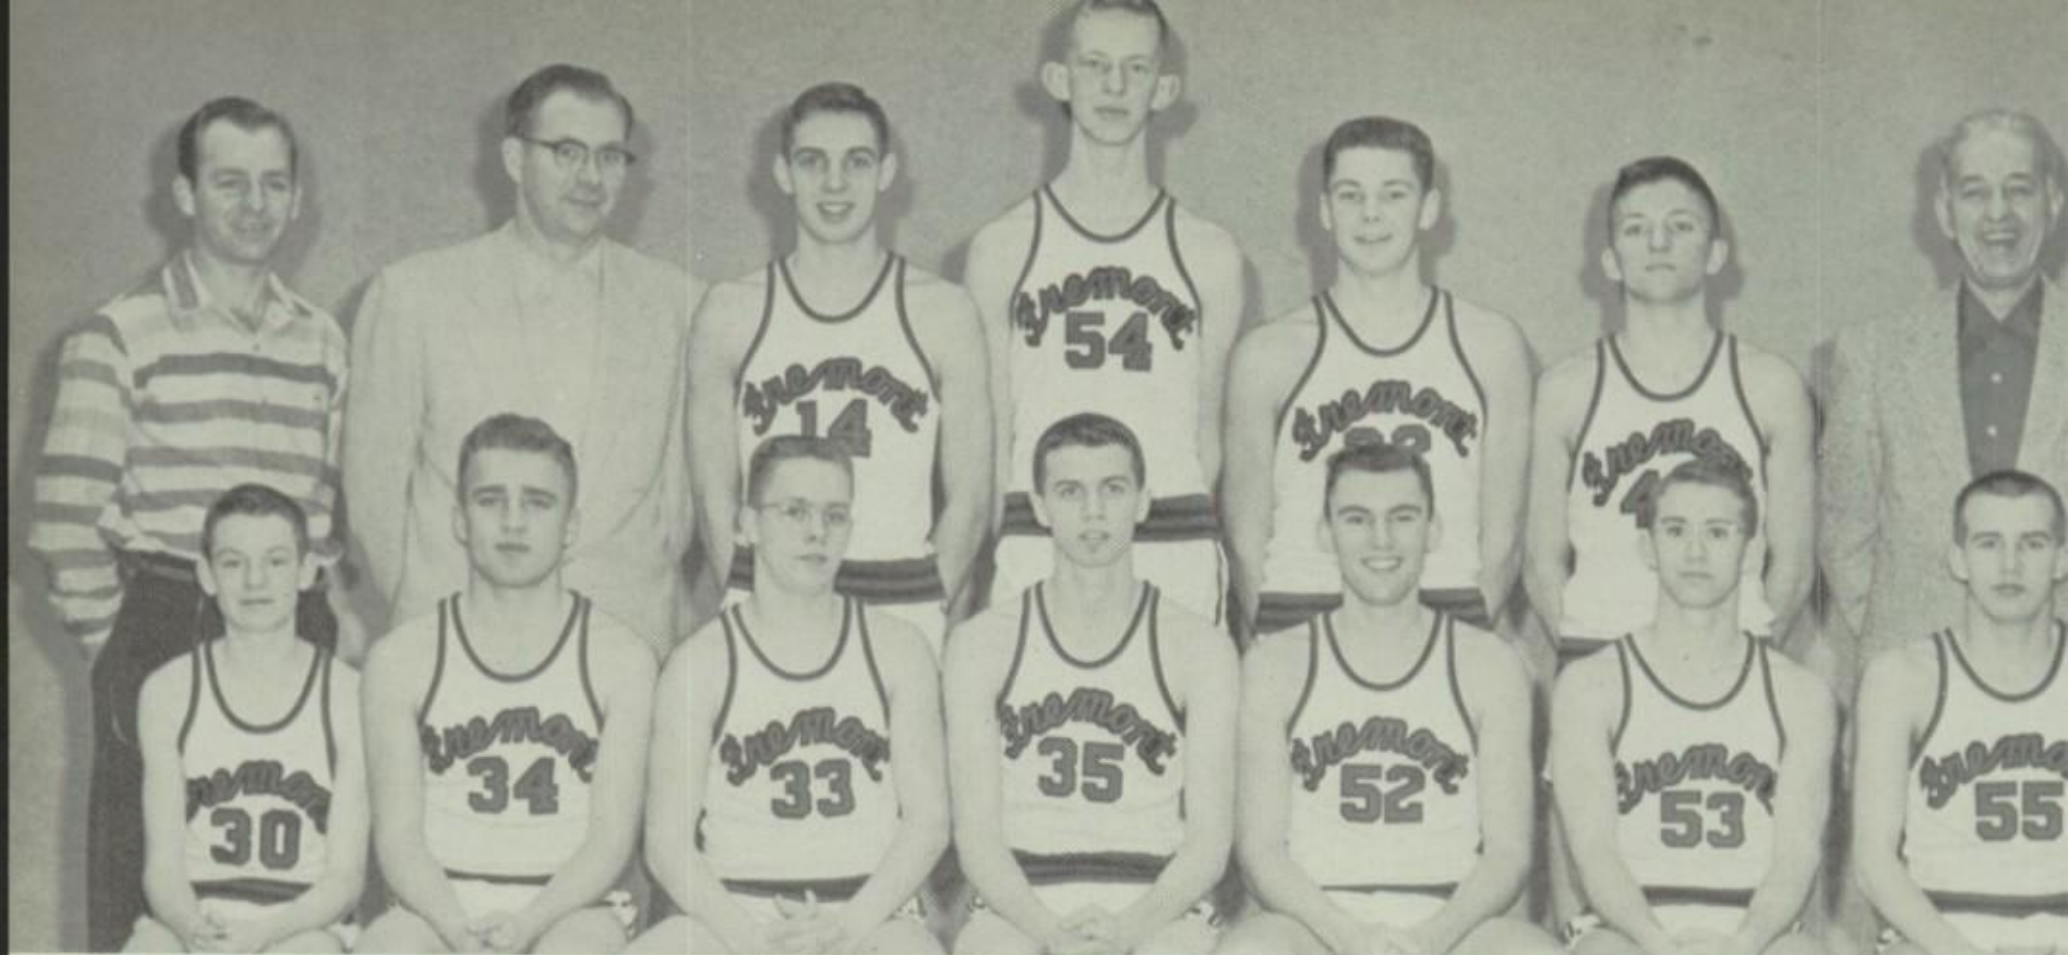

LA VERN BRESSLER-JUNIOR-GUARD

Vern's assists and fast break ability were a definite asset to the team. He was constantly popping one-hand jump shots from the foul circle.

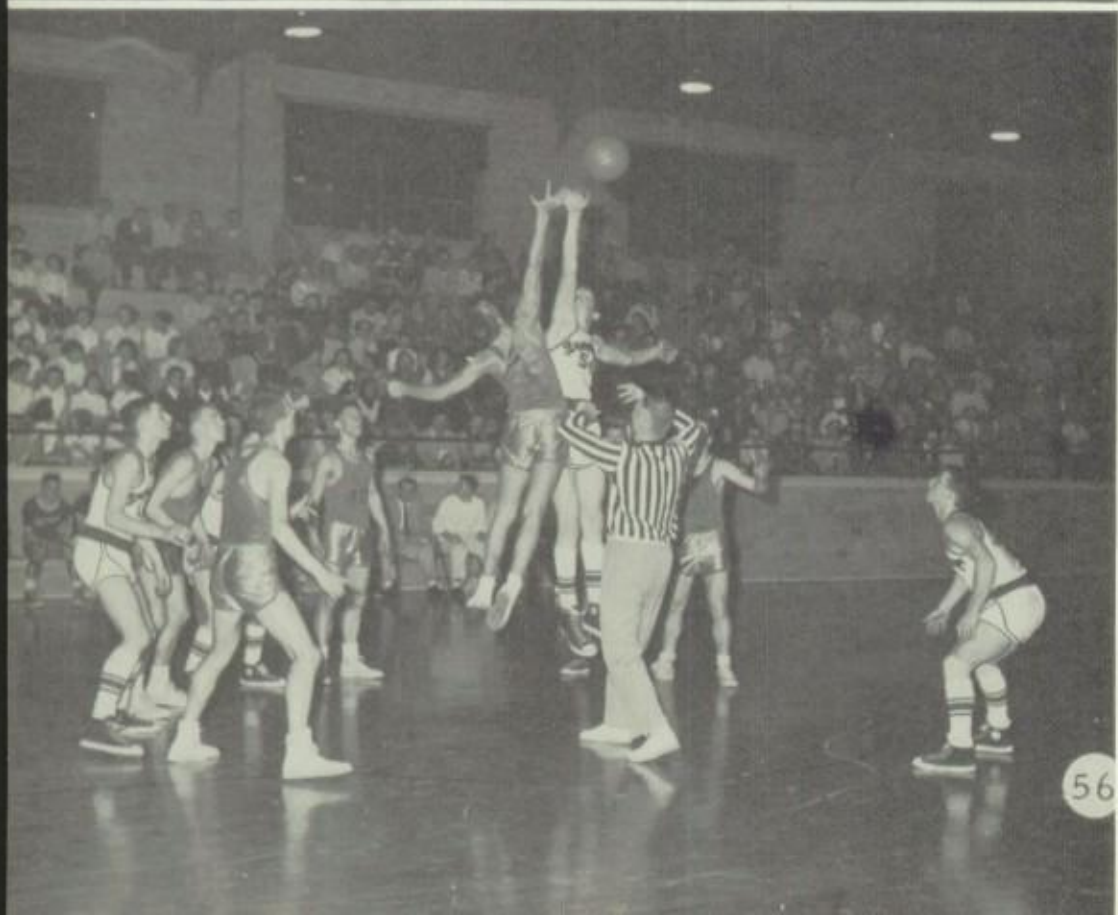

DAN KAUFMAN-SOPHOMORE-CENTER

Although Dan didn't see much action until the latter part of the year, his height, ability to shoot and rebounding ability helped in the sectional tremendously.

EAGLES

The Eagles of 1955-56 under the guidance of Harry Kelley won 19 and lost 6. The reserves finished with 10 wins and 7 losses.

The Eagles were ousted from the Blind Tourney by a good Angola five to the tune of 69-55. Garrett whipped Butler and went on to win the tourney.

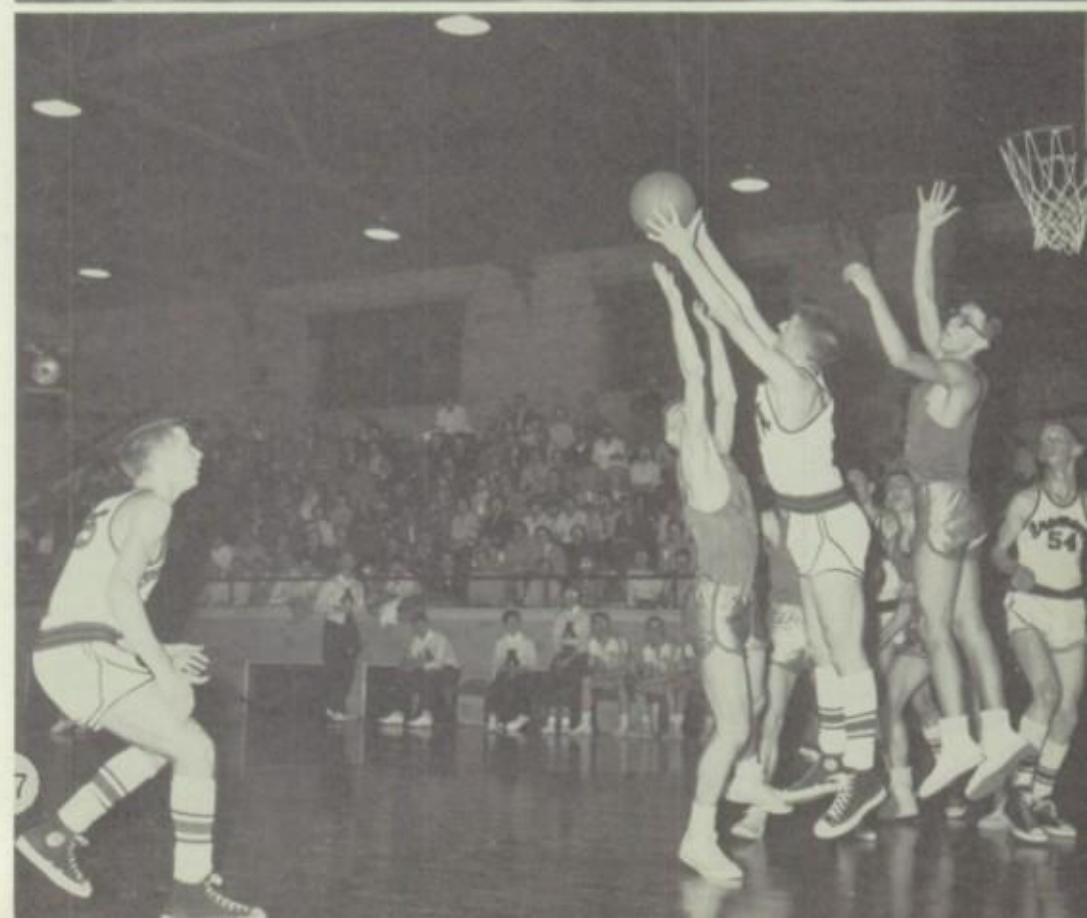

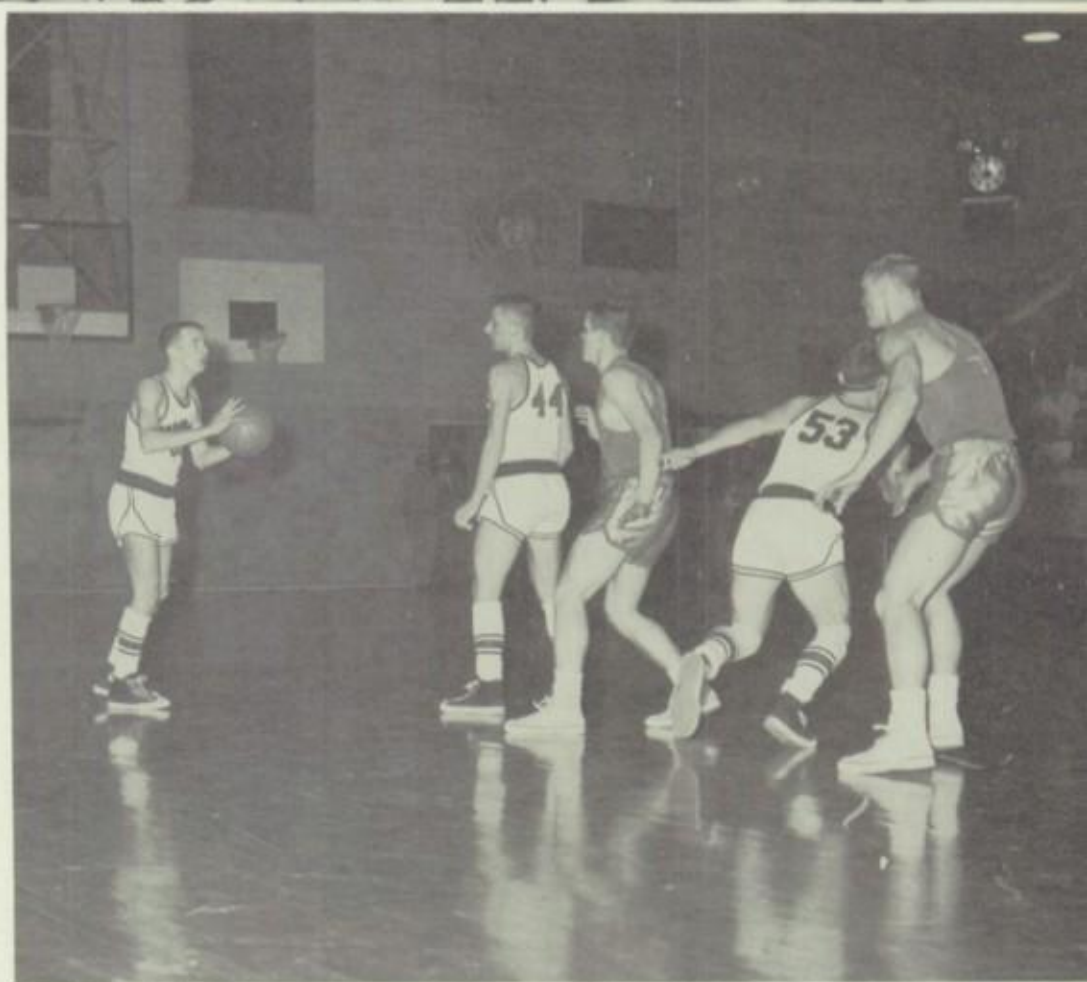

In the County Tourney after defeating Salem 98-24, the Eagles fell before the Orland Tigers 56-53. Hamilton went on to defeat Orland in the final game 57-53.

The Eagles climaxed a successful season with an upsetting victory over favored Garrett to win the sectional, their first in 31 years. The Eagles were ousted from the Regional by a strong Monmouth team. For pictures and an account of the sectional turn to page 61.

George Neutz received the basketball trophy for the best free throw average.

The outlook for the next year is bright with six of the varsity ten returning. We expect another great Eagle team.

CHEER -

2ND TEAM

The second team cheerleading squad was composed of four girls; one freshman and three sophomore students.

These girls assisted in organizing the cheering block, and created several new and unique yells.

Red sweaters and black slacks made up the uniforms worn by the quartet.

Dianne and Julie have been cheerleaders since their freshman year, while this is the first time Kathy and Barbara have participated in this activity.

The cheering block is certainly justified for being proud of these girls, for throughout the entire basketball season these cheerleaders encouraged the appropriate enthusiasm for victory and the best sportsmanship in defeat among the school's fans.

LEADERS

VARSITY

Two girls and two boys composed the varsity cheerleading team this year. This is the first occasion for many years that boys have participated in leading cheers.

The varsity cheerleaders organized a cheering block which employed the use of cards in the formation of letters and symbols.

The cheering block, under the guidance of Mrs. Burns, was very successful in producing enthusiasm in both the fans and the team.

Black and red uniforms were chosen by the first team cheerleaders. Determination and originality gave the group accuracy, rhythm and several new yells.

In both victory and defeat the varsity cheerleaders led their fans with spirit and good sportsmanship.

The Winner.

The Fremont cross country team had an average year in winning two and losing two. They placed second in the Corner Conference cross country meet.

Their schedule was limited because of the adverse weather conditions. This in many ways hampered the turnout, as more than thirty boys participated.

Bernard Rose received the cross country trophy for being the outstanding runner for Fremont.

SECTIONAL CHAMPS

In the sectional Fremont won its way to the semi-finals by whipping Metz 78-35 with accurate shooting and good defensive play. Although the Eagles couldn't get their offense moving against Salem in the second game, they downed the Cardinals handily 58-31.

The Eagles in the semi-finals got off to a fast start against Butler and led most of the way. In the third period the Windmills rallied to within one point, but the Eagles met the challenge and went on to win 76-66.

In the final game against Garrett-Fremont, being the under dog, sensed the challenge; they went out and buried the Railroaders 67-52 with sharp shooting, alert defense, lots of hustle, and the desire to win. Ronnie Beams, LaVern Bressler, and Dan Kaufman were placed on the All Sectional Team.

In the regional the Eagles found the Eagles from Monmouth a little rough to handle as they went down to defeat 80-58. The Eagles fought hard during the game and never gave up; but big Norb Witte from Monmouth turned the tide by dropping 39 points through the nets.

GRADES

September! -- At the first clang of the school bell small feet turn toward the school building. The directions these young feet may take through the years ahead depend much upon the ideas gathered through the years spent in school.

Because of the great American Way each child has the right to a good education, religious privileges, and a happy childhood. Through the co-operation of the school, church, and home this can be accomplished.

As you turn the pages and look into the faces of these, our young Americans, keep this in mind.

EAGLES

Under their new coach, Kenneth Taylor, the Eaglets had a record of 5 wins and 12 losses. The reserves won 0 and lost 8.

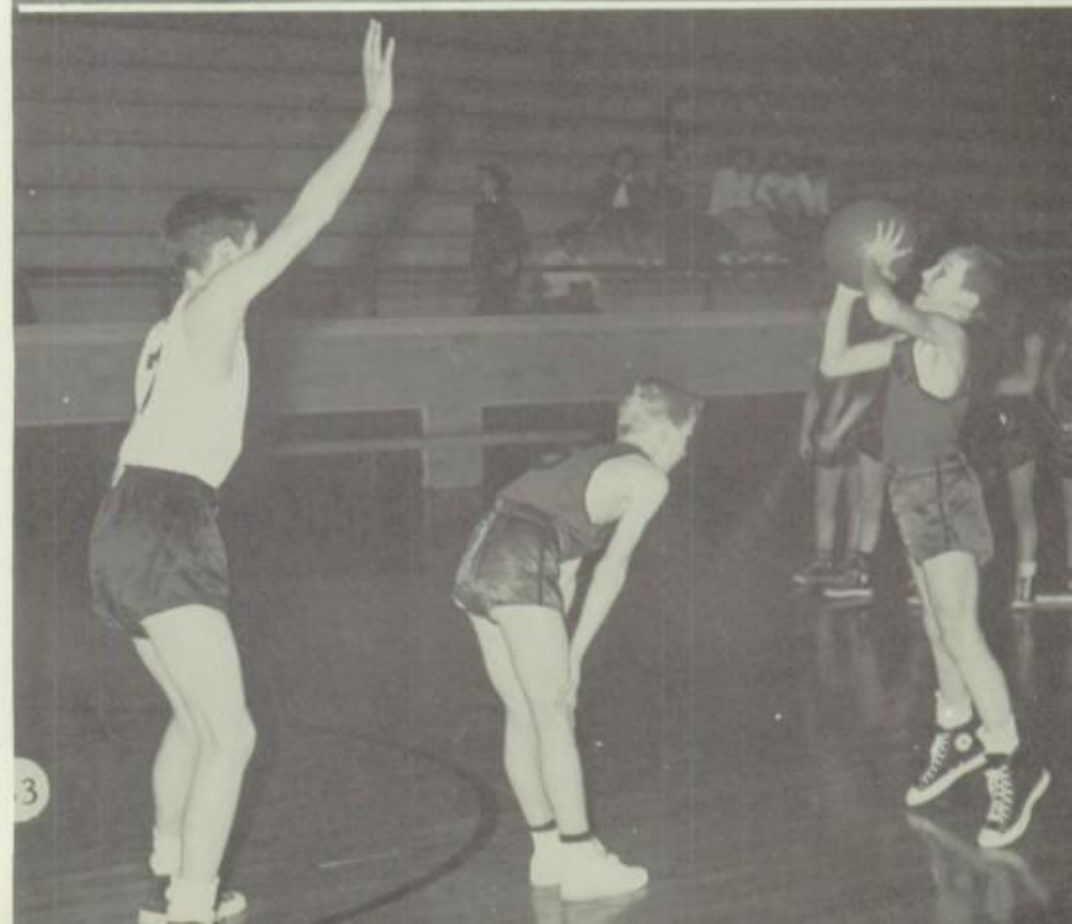

The Eaglets in the County Tourney breezed by the first round by whipping Scott 37-22. The Eaglets in the second game ran into a stubborn P. Lake five and were ousted from the tourney by a 39-30 score.

The Eaglets' record doesn't reflect their spirit and attitude as they were always fighting hard and showing good sportsmanship.

Their lack of experience and height was a great disadvantage, but in future years as they gain additional experience they will rebound into another fine Eagle team. Lots of luck, boys!

CENTER: Max passes the ball.

BOTTOM: Good for another two points.

LEFT TO RIGHT: S. Sidel, L. Sellers, P. Mitchell, K. Latier.

CHEERLEADERS OF TOMORROW

The junior high cheerleading quartet was made up of three eighth graders and one seventh grader. The girls chose red sweaters and black slacks for their yell leading outfits. New cheers were developed by hard practice, industry and enthusiasm.

To become a cheerleader, a student must, not only, have a good scholastic rating, but they must have a pleasing personality, the respect of fellow students, and ability.

Cheerleading tryouts are held in the late fall; the candidates are chosen by the student body.

These cheerleaders endeavored to produce ardor, good sportsmanship and the spirit of keen competition in the fans. Realization of the fact that they may one day lead the mighty Eagles to victory guided them to do this.

FUTURE LETTERMEN

The Graders had a limited schedule this year. In five games they won two and lost three. In the county, by losing two and winning only one, they were eliminated from the grade tourney.

Charles Bolen was the leading hitter and Estle Landis was the leading pitcher with the only two victories for Fremont.
